Thank you for using TaxNet to file your Employer's Quarterly Contribution and Wage Report (UI-3/40). In order to save money, the Department no longer will mail a quarterly tax packet to online tax filers.

This is a reminder that your quarterly UI-3/40 Contribution and Wage Report and payment for the fourth quarter of 2012 are due on January 31, 2013. Penalty and interest can be incurred if payment and report have not been transmitted to IDES by January 31, 2013. If you are paying by check, you can logon to TaxNet, select Unemployment Insurance, select Year and Quarter, Enter Payment Amount, Click on Next, Print Payment Coupon on display. Attach the payment coupon to your check and mail it to the address shown: IDES, P.O. Box 19300, Springfield, Illinois 62794-9300.

IMPORTANT INFORMATION

IF YOU CREATE YOUR UI 3/40 REPORT FOR TAXNET FILE UPLOAD USING QWIS OR SWATS SOFTWARE

EFFECTIVE JANUARY 1, 2010, ILLINOIS' ANNUAL UI CONTRIBUTION RATES HAVE MORE THAN ONE DIGIT TO THE RIGHT OF THE DECIMAL POINT. QWIS AND SWATS WILL NOT ACCOMMODATE THE EXTRA DIGIT. YOU MUST FOLLOW THESE INSTRUCTIONS TO PREPARE YOUR REPORT FOR FILE UPLOAD TO TAXNET.

- When you are entering information on the "CREATE/CHANGE EMPLOYER RECORD" page, in the TAX RATE field, you can only enter a rate with one digit to the right of the decimal point. Since the current rate is two digits to the right of the decimal point, enter 9.9 as the rate.
- After saving the file containing your report, return to the Main Menu by selecting F10.
- From the Main Menu, select choice #3: Compute/Print Contribution Report and Excess Wage Worksheet.
- To compute the correct amount due, multiply the Taxable Wages shown on the screen by the actual rate that has been assigned to you. FOR THE REASON EXPLAINED ABOVE, DO NOT RELY ON THE AMOUNT THAT QWIS OR SWATS AUTOMATICALLY CALCULATED AS THE AMOUNT DUE.
- Submit the report as usual and submit the correct amount you manually calculated for the amount due.

Welcome to the **Administration** section of TaxNet. This will allow Super Users of an organization to perform the following administrative functions:

- Obtain certification
- View and modify user profiles in organization
 - Grant/Remove Super User or specific user privileges for users
