Search Application and Download Certificate (for POA's)

Objective:

WOTC Applications uploaded on WOTC Online system can be easily searched and downloaded using Search Application and Download Certificate option. The search can be done on the basis of various criteria's namely Employer SSN, Last Name of the client, Employer EIN, Status, Zip and Submission Date of the application. Apart from searching with these drop-down criteria's, POAs can also search on the basis of Bulk Upload Id which is being mailed at the time of bulk file upload. This report also allows POA's to download the WOTC certificate individual and in bulk as well.

How to Access:

This search page will be available to all ILWOTC POA's login under My Solutions link. POA's can any time login into the WOTC system and can search/download the application's status/certificate.

URL: <https://www.ilwotc.com/adeptia/control/>

Report Details

Report Parameter:

Following parameters are required from user as input:

1. **BulkUpload ID:** Search using Bulk Upload ID that is sent to POA at the time of bulk file upload.
2. **SSN:** Search using Applicant SSN by entering last four digit of SSN.
3. **LastName:** Search using Last Name of Applicant.
4. **EmployeeEIN:** Search applications based on EmployerEIN. This will give all the applications that have common EmployerEIN.
5. **Status:** Search applications based on the status of applications (i.e. Approved/Denied).
6. **Zip:** Search applications based on the applicant zip code.
7. **SubmissionDate:** Search applications based on the date of submission. i.e. the date on which the application is submitted into the WOTC system.
8. **PaginationValue:** Provide value to display number of record per page. By default this value is set to 25. i.e. and it will show 25 records per page.
