“Job growth is reaching all corners of Illinois and this administration is acting boldly to build upon that momentum,” said Deputy Governor Dan Hynes. “On the strength of a bipartisan budget and capital bill, Illinois is once again investing in its roads, bridges, and universities to create an economy that supports working families.”

Illinois businesses added jobs in eleven metro areas, with the largest percentage increases in: Carbondale-Marion (+2.9%, +1,600), Lake-Kenosha (+2.6%, +11,200), and Peoria (+2.3%, +4,000). The Chicago-Naperville-Arlington Heights metro
